CHARM COLLECTION

ABOUT US ..

It all comes down to 2017 when **Gadalla group** started its first company by establishing **Gadalla developers** in Larnaca, and after finishing luxurious buildings with futuristic Architect, getting along with multiple individuals, each with varied preferences, allowed us to experience their taste,

Inspired by this experience, we launched **GTL**—a brand designed to bring sophistication and style to Cyprus.

Located in the heart of Larnaca, our exquisite showroom offers a stunning array of premium products tailored for discerning tastes.

GTL is stockiest and wholesaler that could provide the fastest delivery to your doorstep, without waiting for months for your products.

High Resistance tiles

60 x 120 CM

High-resistance tiles with a P5 rating (12,000-cycle abrasion resistance), are designed for areas that experience heavy traffic and require durable flooring.

Applications of P5 rating (12,000-cycle abrasion resistance)

Commercial environments: Malls, schools, offices, and hospitals.

Outdoor spaces: Walkways, patios, and pool decks.

High-traffic areas: Airports, train stations, and lobbies.

Advantages

Durability: Long-lasting under heavy usage.

Scratch-resistant: Maintains aesthetic appearance even in rough conditions.

Low maintenance: Easy to clean and resistant to stains.
